Dear Rodney:

Re: Letter of Support - Proposed Mabou Golf Course

Mabou & District Community Development Association (MDCDA) has been asked to provide a Letter of Support with respect to the proposed Mabou Golf Course to be developed on Provincial parkland in West Mabou.

MDCDA has discussed and debated the advantages and disadvantages of this development, and after careful and thoughtful consideration we have agreed to the following:

“At this time, we are unable to provide an opinion on the proposal until further consultation has taken place with Cabot, the Government and the Community of Mabou and District. After this consultation has taken place, we believe we will be in a better position to make a more informed decision.”

MDCDA is a group of active, engaged, committed and goal oriented volunteers that advocate for Mabou and District. However, we are not elected officials, and as such, we do not have the capacity or mandate from the residents to speak on their behalf.

Yours truly,

MDCDA
