Re: Cabot Golf Course Proposal

To Whom It May Concern,

West Mabou Development Association has been asked to provide a Letter of Support with respect to the recent Cabot proposal to develop a golf course on the provincial park in West Mabou. Our board met on November 3rd to discuss this matter.

As one of the community organizations approached, WMDA has been placed in the forefront of what is a divisive proposal in our community. A vote by our WMDA board either in favour, or against the proposal, would be used as a show of either community support or community opposition. After much discussion, it was decided that WMDA does not have the authority to speak on behalf of our area residents, or to be perceived as speaking on their behalf.

For this reason, West Mabou Development Association has chosen to remain neutral and we respectfully decline to offer an opinion on the matter of the proposed West Mabou Golf course.

Sincerely,

West Mabou Development Association
